RE: **Maintenance Resurfacing Contract, Central – 2020**

Rt. 29, M.P. 21.6 – 22.4
Stockton Borough, Hunterdon County

Dear Mr. Nemeth:

This is to inform you that the New Jersey Department of Transportation is currently preparing construction activities for the above captioned project. Construction within the above limits is scheduled to begin on or about the night of Monday, November 16th, and should last for no more than 2 nights, Weather permitting.

The scope of this project consists of milling the roadway and resurfacing with hot mix asphalt.

The intent of this project is to address poor ride quality and extend the pavement life. Due to heavy traffic volumes, this project will require nighttime construction.

If you have any questions or need additional information, please contact myself of this office at 609-203-3777.

Sincerely,

Shardul Raval
Resident Engineer, Central Region Operations
