**!!IMPORTANT!**

Dear Stockton Water Department Customer:

The Stockton Water Department will be working on the water line on South Main Street (Rt. 29) that provides water to properties that are south of the intersection of Church Street and South Main Street.

**As a result, your water supply is scheduled for Monday, October 20, 2025, between the hours of 10:00 AM and 4:00 PM. Please check the Borough website for schedule changes and send in the attached contact information.**

Please reserve some water for use during that day for drinking, hand washing, toilet flushing, etc.

The Water Department appreciates your cooperation and anticipates that the repairs will be completed by 4:00 PM. Once water service is restored, you may experience some rusty water and air in the lines, that can be resolved by running your water until the water is clear.

Thank you in advance for your assistance as we continue to improve our water system.

If you have any questions, please leave a message at 609-397-0070 or email Mayor Lipsen at [alipsen@stocktonboronj.org](mailto:alipsen@stocktonboronj.org).

Thank you,

The Stockton Water Department
